WHAT COULD YOU SAVE BY LANDING HERE?

DEFER. REDUCE. ELIMINATE. STREAMLINE.

HOW CAN FTZ 100 HELP YOUR BUSINESS?

Successfully navigate tariffs & Customs procedures with FTZ 100.

DUTY DEFERRAL

Pay Customs when the product leaves your site instead of paying at the port of entry.

DUTY REDUCTION

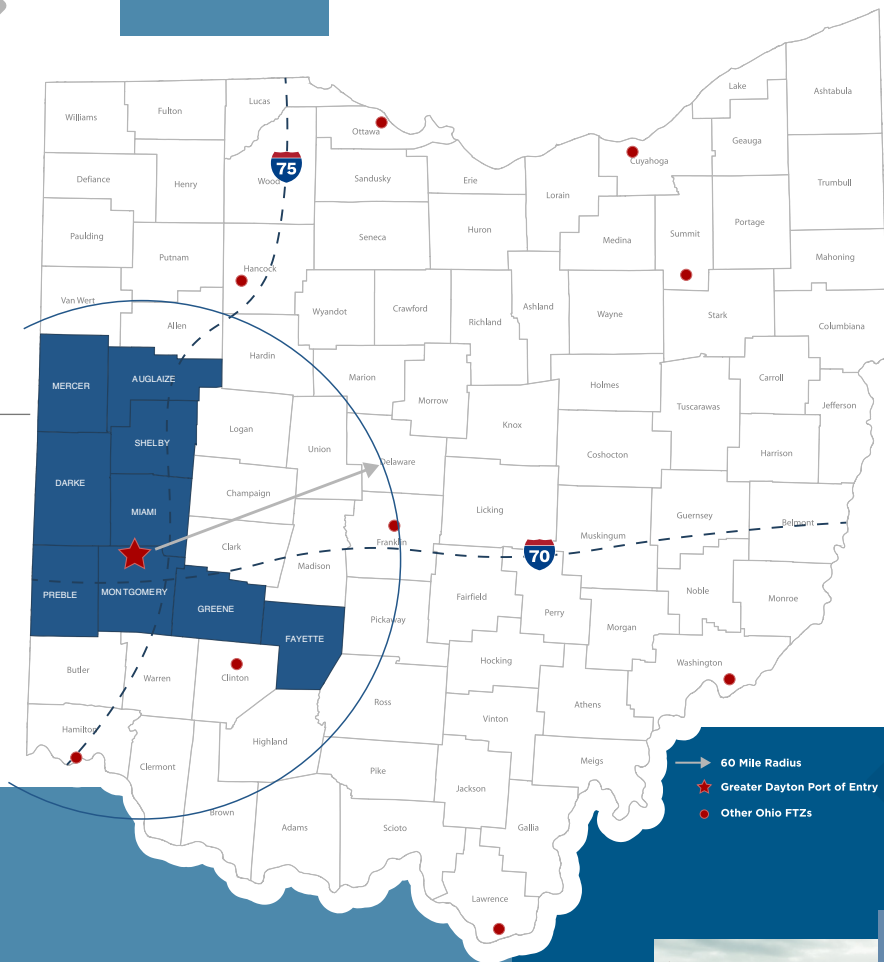

Potentially reduce duty liability in a manufacturing setting.

DUTY ELIMINATION

Goods may be imported and re-exported from FTZ 100 free of duty and federal excise taxes.

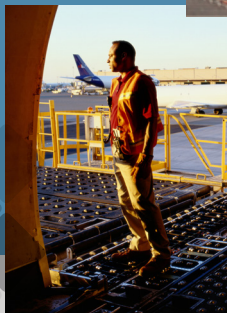

BUSINESS STREAMLINING

Build a more efficient operation with supply chain advantages, money management tools, and smoother logistics.

WHAT IS A FOREIGN-TRADE ZONE?

Companies can bring goods into the United States without formal customs entry at a Foreign-Trade Zone (FTZ) site because it is legally considered outside of customs territory. This gives global companies the opportunity to have cost-competitive, U.S. based operations.

FTZ 100 DAYTON

Organized under the Alternative-Site Framework at the Dayton International Airport, FTZ 100 is a restricted-access site that is treated, as it relates to tariffs and Customs procedures, as being outside the Customs territory of the United States. Merchandise may enter without a formal Customs entry, payment of Customs duties, or payment of federal excise taxes.
